Daniel, I was trying to think of the name...it is called a "deemed approval" ordinance. Not all cities use this tool, as I understand it.

Here is a guidebook

Here is a situation I've been following in El Cajon

<http://fox5sandiego.com/2015/03/17/el-cajon-enforces-strictest-alcohol-control-law-in-state/>

I am trying to find the language where they restrict the small spirit sales and single beers. I will keep looking...

Here is some more info

You could ask Gary, because I believe he found the language in the specific plan for the area around LA Live and this language is in there.
